

# Wade-In Annapolis

**Saturday  
June 6**

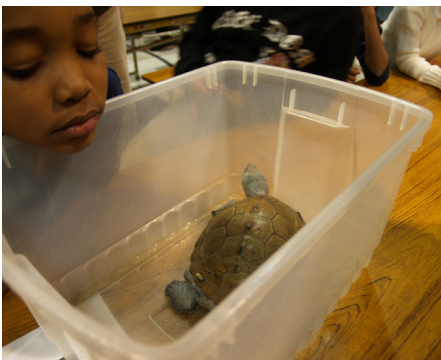

## **4rd Annual Spa Creek Wade-In**

**Truxtun Park Beach, 9 a.m.**

Hosted by  
Lower Western Shore  
Tributary Team  
Severn River Association  
Spa Creek Conservancy

**Then come together at the Annapolis Maritime Museum for a follow up report-out to Mayor Ellen Moyer, the Annual Annapolis Wade-In at Back Creek at 10 a.m., and a Terrapin Roundup & release!**

For more on the Terrapin Roundup see [amaritime.org](http://amaritime.org).

The Wade In is a unique, non-technical way of measuring water clarity, started by retired State Senator Bernie Fowler.

The Spa Creek Wade -In centers around the actual WADING INTO the creek. Participants mark the depth when they can no longer see their sneakers. Other activities include, learning about our local watersheds, creek restoration efforts and seining for fish...

Donuts and Juice provided by the Lower Western Shore Tributary Team.

For More Information, contact:
